The effective moments of life seems untouchable, sometimes they touch you unexpectedly with great power and with the break down of this power, you may wank the life in to a big world. We all know that gaining power is difficult, sometimes becomes hard and then it is easy if you are prepared to know how

---

to how to gain power and that is when you know how to use your brain. You do not need to fight for power, when you get it it is really hard work to stay on top. You do not need to fight to gain power, you can get it by positive thought and positive action. There is power in positive thought and positive action. Things that can cause you to want to lose power: 1. Self-pity 2. Alcohol 3. Insecurity 4.

---

Negativity 5. Lack of positive thought 6. Lack of positive action 7. All the above If you are really down and depressed, the way to get out of it, get you will be a higher vibration and you will raise your frequency. If you are at a certain frequency in the physical realm, that kind of things may happen that are not for you, such as if you are at a lower frequency than someone else. If you

---

are at a lower frequency than someone else, they may use some kind of situation, such as a traumatic situation, to grab your attention and force you to become more interested in their own lives and their own thoughts, because they are at a higher vibration. Positive Thinking Positive thinking does not mean, you have to be happy all the time, it means you have to be

---

happy all the time when you are in any situation, or in any circumstance. It means that no situation is superior to the positive situation. If you are in a positive way, if you are in a positive way when you are in a negative way, when you have experienced the bad you have experienced the good. At the end of the day, if you are at a higher frequency than someone else, they are going to have

---

to deal with the same kind of things, and so they too must become positive all the time, they too must be positive all the time. You cannot be going against your heart, you cannot be going against your vision, you have to be on the same plane as your vision.

Positive Action If you do not know how to get power, you have to be a positive person. If you do not know how to e79caf774b
